

"No slave can serve two masters, for a slave will either hate the one and love the other, or be devoted to the one and despise the other. You cannot serve God and wealth."

Have you ever wanted to sing Gregorian Chant?

Last Fall a group was formed at St. Bonaventure Parish to do just that. As they had a very successful experience they would like to extend an invitation to any interested parishioners from their neighboring parishes to join them. The ultimate goal is for participants to become, if not proficient, at least confident in reading and singing Gregorian Chant. Knowing how to read music would be helpful but not essential. They meet each Thursday at 9:45 following the morning Mass in the St. Francis Room at St. Bonaventure. They will commence on Thursday October 6. If you are interested or would like further information contact Ken Murdoch at murdochk@telus.net
