

Our Parish Commitment

As a parish within the Diocese of Calgary, **St. Patrick's Parish Church** is called to take shared responsibility for this mission.

Our *Together in Action* goal for 2026 is: **\$ 74,296.00**

Funds raised **beyond our goal** will remain in our parish and will support:

Upgrade of Parish Kitchen

This reflects Renewal's call to strengthen both **diocesan mission and parish vitality** at the same time.

A Renewal Invitation

Renewal begins with a personal “yes”—a decision to move from maintenance to mission.

By supporting *Together in Action*, we:

- Practice **co-responsibility** as disciples
- Invest in ministries that bear lasting fruit
- Choose generosity as an act of faith
- Build a Church that is alive, outward-looking, and hope-filled

Every gift is a sign that we are choosing to **walk together** and trust where the Holy Spirit is leading our Diocese.
